

## IMPERIAL COLLEGE LONDON

### TRAINING ON AUDIO AND VIDEO LECTURE RECORDING

---

Imperial College London is committed to delivering a world class education. Increasingly, technology is being used where appropriate to enhance the student learning experience. Reflecting strong student demand in this area, the College is committed to making lecture recordings widely available to students as part of its teaching provision.

Currently, the following training courses are available for staff in relation to video recording:

- [Introduction to Technologies for Teaching and Learning](#)
- [Introduction to Teaching for Learning](#)
- [Panopto workshop](#)

Additional resources:

- Jisc Legal offers free, online [Copyright Training for University Lecturers](#)
