WORKING TOGETHER TASK GROUP

24 March 2021

Meeting Summary

The Working Together Task Group met on 24 March to review the facilitator's initial suggested proposal for a College 'listening exercise'. The facilitator would meet with WTTG members individually to discuss this further, with the next iteration of suggested approach to be presented at a subsequent meeting. The next phase of the communications plan was reviewed and agreed. The group confirmed that messaging would be disseminated through HoDs and student representatives.
