COLLEGE NOTICE

RESPONSIBILITIES FOR THE REACTOR CENTRE

With the imminent retirement of Mr Tony Mitcheson, the College Secretary, Mr David Forbes will assume responsibility for the line management of the Reactor Centre through the Director of Reactor Operations and Safety. This will be effective from 1 August 2007 and will be in addition to Mr Forbes' responsibilities for the Safety Department, risk management, disaster recovery and health and safety policy.

K.A. MITCHESON
College Secretary
