COLLEGE NOTICE

VICE PRESIDENT (HEALTH)

The President & Rector has appointed Professor Dermot Kelleher as his Vice President (Health). Prof Kelleher will remain Dean of the Faculty of Medicine, reporting to the Provost in this capacity.

This appointment as Vice President (Health) reflects the requirements for Professor Kelleher to assist the President by representing him and the College in key strategic partnerships in the medical/health sector, both in the UK and internationally.

John Neilson
College Secretary & Registrar
