COLLEGE NOTICE

VICE-DEAN (RESEARCH), FACULTY OF MEDICINE

Professor Martin Wilkins FMedSci has taken up appointment as Vice-Dean (Research) for the Faculty of Medicine, with effect from 1 October 2017, for a period of 5 years.

Reporting to the Dean, Professor Wilkins will play a key role in identifying and determining Faculty strategy and leading organisational activity to support strategic research activity.

Professor Wilkins joined the then-Royal Postgraduate Medical School in 1990 as a Senior Lecturer in Clinical Pharmacology (the School merged with Imperial in 1997). He is currently Professor of Clinical Pharmacology and Head of the Department of Medicine. Professor Wilkins will also continue as Director of the NIHR Imperial Clinical Research Facility at the Hammersmith Campus. His research is focused on the pathogenesis of pulmonary hypertension and the development of new treatments for this condition.
